

Woodside Defence Families Association

Woodside Defence Families Association  
226 Nairne Road  
Woodside Barracks  
WOODSIDE SA 5244

# Annual Membership 2025

WDFFA membership is \$10 per calendar year, per family. By being a member you receive great discounts on programs and activities, events and much more!

The Woodside Defence Families Association (WDFFA) is a not for-profit, well-established group who support Defence Families posted to the Adelaide Hills, South Australia. We provide a relaxed and welcoming meeting place for members of the Defence Community to form new friendships, share information and ideas and support one another.

Our purpose: We are *supportive* and *community focused*. We value *kindness*, *respect* and *honesty*. We expect that all who attend our events, community centre and playgroup will keep these values in mind while connecting with the defence community here at Woodside. WDFFA accepts members with a connection to defence. Defence members may have friends or extended family members who would like to join the WDFFA. Or members can be veterans who would like to remain connected to the defence community here at Woodside. We offer two levels of membership. **Level 1** is for current full-time serving defence members and their immediate family members. **Level 2** is for friends and wider family members who would like to participate in, support and contribute to the defence community at WDFFA. Both levels will be able to fully participate in the WDFFA and serve on the Committee if they choose. Level 2 members may be required to pay full price for some WDFFA activities. This is to comply with our funding requirements. Please indicate what level you are applying for and clearly state your defence connection. Membership requires committee approval.

Please complete the below to apply for membership. You must support the organisation's purpose and comply with the organisation's constitution (copy available upon request).
